

Goat Whey Protein Concentrate 80%

Goat WPC 80 is a high concentrated protein powder from the highest quality with an unique, easy to digest protein composition.¹⁻³ Compared to casein protein, the amino acids in whey are more rapidly available for the body, making it an excellent protein source for muscle building.⁴⁻⁷

With its mild, neutral taste, Goat WPC 80 is ideal for enriching the protein content of various (dairy) products.

Important target groups who can benefit from products containing goat whey protein are active (sports) people, elderly, and those seeking to support their overall health through a daily intake of high-quality protein.

Key Benefits

- ✓ Goat whey, and in particular β -lactoglobulin, is easier to digest than cow's whey.¹⁻³
- ✓ Excellent protein source from the highest quality for increasing protein content of different applications.
- ✓ Especially for people with increased protein need like elderly, athletes, for weight management and general health.
- ✓ Whey and especially goat whey, has the highest Essential Amino Acid and leucine content compared to plant protein (soy) or casein, important for muscle building.^{4,5}
- ✓ Whey protein is superior in promoting protein synthesis in young and old compared to plant protein (soy) and casein.^{6,7}
- ✓ Mild neutral taste.

CBM is an Ausnutria brand

Ausnutria B.V.
Leading producer of goat milk infant formula brand and goat ingredients.

From farmer to shop
- Milk supply from \pm 100 contracted goat farmers.
- Thanks to these dedicated goat farmers (each on average > 1000 goats), we receive fresh milk year-round to produce the highest quality goat milk products throughout the year.
- 6 fully owned factories in the Netherlands.

Goat Whey Protein Concentrate 80%

Suitability for Application

Suitability Score ★ Less Suitable ★★ Suitable ★★★ Very Suitable

Application	WPC 80	Application	WPC 80	Application	WPC 80
Ready to Drink Beverages (neutral pH)	★★	Sports / Elderly Nutrition (Powders)	★★★	Meal Replacers	★★★★
Ready to Drink Beverages (acid pH)	★	Snacks (e.g. Sports Nutrition Bars / Weight Management / Healthy Lifestyle / Elderly Nutrition)	★★★	Chocolate & Confectionery	★★
Powdered Beverages	★★★★			Baby Food	★★
Hot Beverages	★			Diet Products	★★★★
				Yoghurt	★★★

Product Information

Ingredients: 100% Goat milk.

Production: Made in The Netherlands.

Allergens: Contains milk.

Storage: Best storage conditions:

- Dry place
- 15-25 °C
- Max. relative humidity of 65%
- Avoiding direct sunlight

Shelf life: If stored properly, in the original packaging (unopened), a shelf life of 18 months can be guaranteed.

Packaging:

Standard gassed multiple paper bag with EVOH liner. Also non-gassed bag possible.

Packaging sizing: 20 kg bag.

40 bags per pallet (plastic or heat treated wooden HT-ISPM 15 pallets).
